July 2010

SRVA Board Meeting

The Southern Region Board of Directors will be meeting on July 25, 2010 in Birmingham, Alabama. The board will be considering many important policy items, such as the **\$10 per member fee increase** passed by the USAV Board of Directors. Please send any requested agenda items to Ken Cain by July 15, 2010. ❖

WASABI and RADIATION WIN NATIONAL CHAMPIONSHIPS!!!

At the recent 2010 USAV Open, Wasabi won the Womens' AA Championship, and Radiation won the Womens' U-Volley Championship. Muffin Tops finished 2nd in the Womens' BB division. In-Side-Out tied for 5th in the Mens' B division. Muffins N' Men tied for 3rd in the Reverse Coed BB/B division. Atlanta Boom finished second in the Womens' A Bronze division.

Congratulations to these teams for their fine finishes and to all teams that represented the Southern Region. ❖

2010 Girls' National Championship Results

Three teams finished in the top ten in their respective divisions at the 2010 GJNC. **A5 161** finished 6th in the 16 Open Division. **Alliance 14 National Teal** finished 9th in the 14 Open Division. **A5 141** finished 10th in the 14 Open division. Congratulations to these teams, and to all the other teams who represented our region at the tournament. ❖

Commissioner's Corner...

We are coming to the end of the 2009-10 season. I offer my congratulations to all the adult teams who represented us at the 2010 USA Open Championships, especially our two national champions. Congratulations also to the many junior teams who represented us in Reno at the 2010 Girls' National Championships.

The 2010-11 season is fast approaching. Our board must decide how to implement the \$10 per member fee increase passed by the USAV Board of Directors. We will be considering other important policies at the upcoming July 25, 2010 SRVA Board meeting, so please send me any requested agenda items by July 15, 2010.

The SRVA Board has authorized me to develop a new online member registration system for the upcoming season. The software we used last year was not satisfactory for our needs, so we are developing a better system for the upcoming season.

The Girls' National Championships will return to Atlanta, Georgia in 2011. This will allow our teams to attend the event without an airfare expense.

Thanks to everyone for their efforts in supporting volleyball in our region during the 2009-10 season. ❖

Ken Cain, SRVA Commissioner

Girls' National Championships

The 2011 USAV Girls' Junior National Championships (GJNC) are coming to Atlanta from June 25 through July 4, 2011 at the Georgia World Congress Center. ❖

Officials' News

Jim Kirkpatrick obtained his National Scorekeeper rating this summer. We will provide information regarding referees in the next newsletter. ❖
